

Position Announcement

Position Title: Full Time A.I. Relief Reproductive Services Client Manager (RSCM)
Accountable To: District Sales Managers

COBA/Select Sires is seeking fulltime relief RSCM in Ohio. Service area will be dependent on current location. Some travel may be required. The successful applicant will provide relief to area RSCMs who are responsible for sales and artificial insemination service to dairy and beef producers to further the reproductive efficiency and genetic development of the producer's herd.

Major Areas of Responsibility - Working with Employed RSCM staff to:

1. Provide daily technician arm service in the specified area. Organize and schedule daily the service requests with the regular stops to ensure each service gets performed in a timely and efficient manner.
2. Further develop and grow the customer base by providing sales and service contacts in conjunction with the District Sales Manager.
3. Serve as an everyday COBA presence in the area.
4. Manage semen and herd management product inventories.
5. Be open to assisting with other responsibilities and tasks that come about from time to time as requested by the marketing department and management.

Skills Required:

Artificial insemination experience and agricultural background preferred, willingness to learn new skills, good organizational and time management skills, and must be self-starting and a strong communicator.
